

Conference Housing

Reasons You Should Book Your Room within Our Housing Block:

1. Official hotel is organization-endorsed and inspected.
2. Greater networking opportunities exist in hotels inside the block.
3. Reservations within the block are more protected from hotel relocation.
4. Housing representatives are available for on-site assistance with official hotels primarily.
5. Friendly Booking Terms: No change fees. No full prepayment.
6. Guaranteed rates.
7. Delegates have an excellent chance of getting into their first choice hotel.
8. Easy to modify or cancel reservations.
9. When you stay within our block, you help LMSA. Did you know if you book outside of the block, LMSA gets hit with hefty attrition fees? If we do not fulfill our contractual obligations with these hotels, LMSA is required to pay significant financial penalties---money that would have been used to secure speakers and member services. Please help us continue to give you the best possible professional development by helping us. Make your reservations at the official conference hotel. Thank you!
